

# ETOWAH HIGH SCHOOL

## FOOTBALL

Etowah High School Touchdown Club friends and families,

Over the past three years Gas South has been a great partner of Etowah High School Touchdown Club donating over \$10,000 through their unique affinity program. This program provides Etowah families, teachers, and community members discounted natural gas rates while helping to give back to our school. We are proud of this relationship and need your help in maintaining it. It is our hope that this note will make you aware of this partnership and encourage you to help us reach an immediate goal of 100 participants. With 100 participants Gas South will make an additional \$5,000 donation this fall.

### Here are the benefits:

- As a program participant **you receive** a friends and family discount of 2 cents per therm off any published rate. This discount will apply each month you remain a Gas South customer.
- Gas South will make an **individual donation to our school** each month that you remain a customer. The more families that sign up the more Gas South donates to Etowah High School Touchdown Club.
- If 100 Etowah families become Gas South customers, Gas South will make an **additional \$5,000 donation** this fall.

### How do you participate?

- Have another gas provider? - Switching is easy. Simply call 1-866-563-8129 or go to [www.gas-south.com/Etowah](http://www.gas-south.com/Etowah). You do not have to contact your current natural gas provider and your service will not be interrupted.
- Already a Gas South customer? - If you are already a Gas South customer, please register your account to be counted toward our goal of 100 customers in the program. Just go to [www.gas-south.com/Etowah](http://www.gas-south.com/Etowah) and select Etowah High School as your affinity partner.

This program is an easy and convenient way to help raise money for Etowah High School's Touchdown Club. Unlike traditional fundraisers, you don't have to sell anything, commit your time or collect money. **Just sign up and Gas South takes care of the rest.** Thank you for your continued support and please help benefit our school by taking advantage of your Etowah discount with Gas South.

	Gas South Etowah Rate	Gas South	Georgia Natural Gas	Scana
6-Month Fixed	\$0.790	\$0.810	\$0.889	\$0.919
